Statewide List of Alaska’s Farmers Markets

"Promote and encourage development of an agriculture industry"

Make the most of Alaska’s beautiful summer bounty. While our giant cabbages are world-renowned, visitors are always surprised by the variety of our agricultural products. As you travel around our state, plan a visit to one of our numerous Farmers Markets to enjoy the spectacular flowers, the freshest vegetables and other farm products. The markets are a great place to meet real Alaskan farmers, as well.
